

- Differences between Candy strips (Ate) and Citron (Acitrón):

## CITRON (Acitrón)

- The ate is made out of different blended fruits like Guava, Crabapple and Quince.
- The Ate in the Rosca de Reyes is always the same size since it is cut out of a bar.
- It gives symmetric look to the roscas decoration.

## CANDY STRIP (Ate)

- The ate is made out of different blended fruits like Guava, Crabapple and Quince.
- The Ate in the Rosca de Reyes is always the same size since it is cut out of a bar.
- It gives symmetric look to the roscas decoration.
